

Student/Camper Code of Conduct

Welcome Campers! We are excited to be working with you this summer. Before we start, there are a few important things you need to know about our online classes to make sure that everyone is safe, has fun, and learns to the best of their abilities!

Black Rocket Student Promise:

- I will not share my user name, password, or any live classroom links given to me by the Camp.
- I will follow the rules and expectations set by my teacher or coach.
- I will use kind words and focus on the topic being reviewed.
- I will not say things to disrupt the class or offend others.
- For online programs, I understand that my camera, microphone and chat privileges may be taken away if I do not use them responsibly.
- I will not give my personal information to any other students without parental permission.
- I understand that I may need to wait my turn to get help from my assigned coach and will try my best to be patient.
- I will only use approved class materials during class.
- For online programs, I will mute my microphone when it is not my turn to speak and keep my camera on just me.
- I will dress appropriately.
- I will stay safe, have fun, and try my best to learn something new! If I am having a problem, I will tell my coach and ask for help.
